

BTB Triple – 30.01.11 = Worcester, Vegas & Portsmouth

Nine intrepid Westcott Archers set out early on Sunday morning, on their annual challenge that is known as the Triple at BTB in Daventry. I will mention no names, but had it not been for a timely phone call, one of our number would have slept through the whole thing! That internal alarm clock really isn't working for you is it Sandra? Oops!

After the first round (the Worcester), which everyone seemed to be reasonably pleased with, ECC (Emma's Confectionary Company) shared out some delicious chocolate cup cakes, with the most unusual topping. Ask Adrian why he has been nicknamed 'Adrian Glitter Pants'. However, I think not giving the standard warning to a judge ('mind the glitter, it gets everywhere Brian!') may have been a little detrimental to any future line-cutters!

Although not all of us were as happy as some at their scores, we all agreed it was a great day, 3 rounds it's quiet a challenge!

We had a good haul on the raffle – we loved your little handbag Terry, nice tea set for Dave, and thanks to Sandra for sharing out the box of Cadbury's cream eggs.

So how'd we do?

Fred	Barebow	Gold for the triple, Gold for the Worcester
Jean	Compound	Gold for the Double, Gold for the Vegas
Fergus	Compound	Bronze for the Triple, Bronze for the Worcester
Janice	Longbow	Gold for the Double, Silver for the Worcester

Well done everyone, we get to keep the team and individual trophies this year, as BTB are changing their name and venue I believe. Next week is Kestrals Double Worcester, see you all there....
