Westcott Archers Target Day

Short Metric Round

To all Club Members and Archers who shoot the Short Metric Festive Fun Target Day.

Please find detailed below the results from this target day along with a shoot report by Janice Bradfield and pictures from the shoot captured by Jonathan Rabone and Fergus Bradfield.

In our opinion it was a great shoot, cold and miserable out, but with plenty of cheer from those shooting, it made it an enjoyable target day to be apart of. 3 new club records were set on the day, and these have been passed on to the Records Officer accordingly.

We hope that those who attended enjoyed themselves and we would like to congratulate you on your scores achieved. Those who didn't shoot, we hope you will join us on future target days that are organised for the first Sunday of the month (see website or notice board in the hall for details). All club members are welcome to attend.

Kind Regards, Merry Christmas & A Happy New Year

Stu & Emma

Shoot Report

The snowy field, now partially melted, and the fog that we watched enclose us in a little bubble called 'Westcott', did nothing to quell the laughter of the brave souls that turned up at the range today to shoot the Short Metric. It was a joy to shoot outside, and at a decent distance, after the festivities and over indulgence that this time of year forces upon us. Everyone shot well, and even Peter making us all laugh at different points during the morning, didn't stop some of us putting in some good, solid scores.

A big thank you to Emma and Stu for organising it and the very welcome hot soup and a roll at the end. And a personal thanks to Jonathan for pulling my

arrows and digging out 2 lost points for me. And of course, thanks to Echo for helping with the washing up.

Well done everyone

Janice Bradfield

Results

		Score	Comments
