

WESTCOTT ARCHERS Shoot report
John Devaney Memorial shoot 18th AUGUST 2019

5 Archers from Westcott attended this shoot hosted by Windrush Bowmen, Hugh Stalker, John Newton, Ian Ball, Simon Webster, Pete McDermott.

All 5 returned home with medals, and quite a lot of the raffle prizes too!

John Devaney shot the American Flat Bow well. I first met him at White Mark bowmen around 2010, 2011 when I had just taken up flat bow myself. He was always happy to help or give advice, and was good to shoot around the course with.

I started to improve, but would always be up against it when John was attending a shoot. In that way he became a sort of flat bow hero of mine, someone to be inspired by. He still is now.
